**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF  
THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

---

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.**

This circular will further give Shareholders the Notice of Annual General Meeting at which resolutions approving the above proposals will be considered and voted upon.

### 2. GENERAL MANDATES TO REPURCHASE SHARES AND TO ISSUE NEW SHARES

At the annual general meeting of Shareholders held on 16th June 2017, approval was given by Shareholders for the granting of, *inter alia*, a general mandate to the Directors (i) to repurchase Shares on the Stock Exchange up to 10% of the issued share capital of the Company; and (ii) allot and issue Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company, both as at the date of passing the relevant resolutions. In accordance with the terms of the approval, these general mandates will shortly expire on 14th June 2018 upon the conclusion of the forthcoming Annual General Meeting. To keep in line with current corporate practice, the grant of fresh general mandates for the same purpose is being sought from Shareholders and an Ordinary Resolution to grant the Repurchase Mandate to the Directors will be proposed at the Annual General Meeting. The explanatory statement required by the GEM Listing Rules to be sent to Shareholders in connection with the proposed Ordinary Resolution to approve the Repurchase Mandate is set out in Appendix I to this circular.

In addition, the Ordinary Resolutions will also be proposed (i) to grant to the Directors the Issue Mandate and (ii) to approve the addition to the Issue Mandate to issue and allot Shares under (i) above of such number of Shares purchased by the Company in accordance with the Repurchase Mandate.

As at the Latest Practicable Date, the total number of Shares in issue was 2,972,150,000 Shares. Assuming there is no issue of Shares or repurchase of Shares from the Latest Practicable Date up to the date of the Annual General Meeting, the number of Shares that can be issued pursuant to the Issue Mandate and that can be purchased by the Company under the Repurchase Mandate will be 594,430,000 Shares and 297,215,000 Shares respectively, representing 20% and 10% of the Company's issued share capital as at the date of the passing of such Ordinary Resolutions at the Annual General Meeting.

If the Issue Mandate and the Repurchase Mandate are granted to the Directors, they will be valid for the period from the date of passing the relevant Ordinary Resolutions up to the date of the next annual general meeting in 2019, or the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held, or the revocation or variation of the Issue Mandate or the Repurchase Mandate by an ordinary resolution in a general meeting of the Company, whichever of these three events occurs first.

### 6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I (Explanatory Statement on the Repurchase Mandate) and Appendix II (Details of Directors proposed to be re-elected at the Annual General Meeting) to this circular.

Yours faithfully,  
For and on behalf of  
**Cloud Investment Holdings Limited**  
**Ng Chung Yuen Frank**  
*Executive Director*

This appendix serves as the explanatory statement required to be sent to Shareholders by the GEM Listing Rules in connection with the repurchase by companies with a primary listing on the Stock Exchange of their own securities. The intention of this explanatory statement is to provide Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the proposed Repurchase Mandate to be granted to the Directors, which relates to Shares.

### **1. FUNDING OF REPURCHASE**

It is envisaged that repurchase will be funded entirely from the Company's available cash flow or working capital facilities which are funds otherwise available for dividend or distribution and thus legally available for such in accordance with the provision of the memorandum of association of the Company, the Articles of Association and the laws of the Cayman Islands. There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited account) in the event the Repurchase Mandate was exercised in full at any one time. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

### **2. REASONS FOR REPURCHASE**

Repurchases of securities will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or the earnings per Share.

### **3. EXERCISE OF THE REPURCHASE MANDATE**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,972,150,000 Shares. Subject to the passing of an Ordinary Resolutions at the Annual General Meeting approving the Repurchase Mandate on the basis of 2,972,150,000 Shares in issue at the date of the Annual General Meeting (assuming that no further Shares will be issued or repurchased after the Latest Practicable Date and up to the date of the passing of such resolution), the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 297,215,000 Shares during the period from the passing of the resolution granting the Repurchase Mandate at the Annual General Meeting up to (i) the conclusion of the next annual general meeting, or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any relevant law to be held, or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first.

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, any applicable laws of Cayman Islands, and in accordance with the memorandum of association of the Company and the Articles of Association.

**(c) Effect of Takeovers Code**

If as the result of a repurchase of securities, a Shareholder's proportionate interest in the voting rights of the Company increase, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors do not intend to repurchase Share to an extent which would result in the substantial Shareholders or any Shareholders or group of Shareholders being obliged to make a mandatory offer for the securities in the Company under Rule 26 of the Takeovers Code. The Directors will not repurchase securities of the Company on the Stock Exchange if the repurchase would result in the number of the listed securities which are in the hands of the public falling below the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.
